

Kayla Marie-Claire Addams (Beyerlein)

ENTRY-LEVEL SOFTWARE & WEB DEVELOPER

Beaverton, OR | 443-928-5331 | Kbeyerlein86@gmail.com

[LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Objective

Recent Software Engineering graduate blending hands-on troubleshooting with full-stack development. Passionate about writing clean, efficient code and collaborating on innovative, user-centered solutions. Seeking an entry-level role to contribute technical skill and creative vision.

Technical Skills

- **Languages:** Python, JavaScript, Java, C#, HTML, CSS
- **Frameworks & Tools:** Git, Visual Studio Code, SQL, REST APIs
- **Development Practices:** Agile & Waterfall, SDLC, UX Design, Technical Documentation

Certifications

- Microsoft Certified Professional (Feb 2025)
- Microsoft Certified IT (Feb 2025)
- Microsoft Certified Front-end Dev. (Mar 2025)

Projects

Bookstore Management System (*degree capstone*)

- Used Python, JavaScript, HTML/CSS, SQL, and Figma in a SCRUM environment
- Built a full-stack web app for inventory, orders, and user authentication
- Applied SDLC principles and Agile methodology

Portfolio site

- Designed and deployed a personal website to showcase development work
- Used HTML, CSS, and JavaScript to create responsive, accessible layouts

Back up app

- Created a Python-based utility to automatically back up game save files
- Implemented file system monitoring and scheduled backups for data integrity

Experience

T-Mobile | Technical Expert

2018- Present

- Collaborated with engineering and RF teams to resolve complex device and network issues
- Documented technical resolutions and trained peers on troubleshooting workflows
- Strengthening customer satisfaction through clear communication and technical precision

Education

Colorado Technical University | Bachelor of Science

Feb - 2025

Major: Software Engineering | Minor: Cyber Security
